This website provides information on vehicles offered at closed dealer auctions in Europe and the USA and brokers their acquisition on commission; to that extent we are not the seller of those vehicles, the operator of the auction platforms or a previous owner. Vehicles marked “In stock” stand on our yard in Koblenz and are sold by us directly.
2. Vehicle data — bids, reserve prices, mileage, roadworthiness dates, condition notes — comes from the platforms' publications, changes continuously and is given without warranty. Only the written confirmation before a bid is placed is binding.
